* Following initial two-year iTero Service Plan, additional charges will apply for remote support connection and repairs for customers not on the iTero Service Plan. There is no commitment to the iTero Service Plan after the initial 2 year period, but the iTero Service Plan can be purchased at any point after the initial term.

** Based on 10,000 scans, mean transfer time, defined as the time between the practice sending the iTero scan and the dental laboratory receiving it, is 4.6min. May vary based on internet connection. Data on file at Align Technology, as of February 12, 2020.
